

**Kittitas Valley Junior Soccer Association
Rules of Play Fall 2016**

General Rules for all age groups:

- The new Kickoff Rule will be in effect. The Ball can move in any direction.
- Goalkeeper Possession—Once the Goalkeeper has a hand on the ball it is considered possession. If an opposing player tries to kick or head the ball, it is a violation and an indirect free kick will be awarded.
- Accidental contact with the Goalkeeper will result in an indirect free kick.
- **Playing the ball while on the ground when another player is also playing the ball is not permitted. This includes slide tackling**, sliding to the ground and extending a leg to get the ball from another player.
- No formal score or team standings are recorded.
- Corner kicks are in use.
- Substitutions are made on any dead ball at the discretion of the Referee.
- **Coaches making a Substitution are to Notify the Referee and wait until the Referee gives permission (except on Jamboree Day).**
- The goalkeeper may not pick up a ball that is passed by a teammate. If this happens, an indirect kick is awarded at the spot of the infraction. It is not a penalty kick.
- Any rule not listed here defaults to the “Washington Youth Soccer,” “US Club Soccer” and “FIFA Rules”.
- In the event that one or both teams are short-handed, coaches, in consultation with the referee, are encouraged to come up with a solution. They can play with fewer players on the field (e.g., playing 8 on 8 instead of 9 on 9) or one team can lend the other a player.
- **Jamboree** (first weekend) has different time/substitution rules. All games for all age groups are 15 minutes long and start and end on a horn. Substitutions are done “on the fly” like in ice hockey. There is a 5-minute break between games.
- **Coaches are to stay on the Sidelines at least one yard (3 feet) from the line within their Team Area.**
- **Coaches and Spectators are NOT Permitted to stand behind or near the goals.**

US Club Soccer Head ball Rule From: (usclubsoccer.org)

Players in U-11 programs and younger shall not engage in heading, either in practices or in games.

Limited heading in practice for players in U-12 and U-13 programs. More specifically, these players shall be limited to a maximum of 30 minutes of heading training per week, with no more than 15-20 headers per player, per week.

In adherence to these new requirements, referees have been instructed by U.S. Soccer of the following rule addition: *When a player deliberately heads the ball in a game, an indirect free kick (IFK) should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred.*
